St. Jerome Mission Statement

The mission of St. Jerome School is to empower each child's unique intellectual, moral, social, and physical development through a safe and nurturing environment. Through a cooperative partnership with families and the community, our school provides a quality education emphasizing faith formation, academic excellence, and service based on Catholic values.

Dear St. Jerome Families...

It is hard to believe that we are already approaching the month of March! As we move closer to the end of the third quarter, please take some time to check Gradelink periodically to ensure your child has no missing assignments. The third quarter officially ends on **March 14**, and report cards will be posted shortly after.

Additionally, we want to remind everyone to be mindful of the school dress code. Please note the following guidelines:

- **Girls:** The following are not permitted: nail polish, fake nails, colored hair, crocs, slippers, or leggings, hoodies (unless they are St. Jerome).
- **Boys:** The following are not permitted: earrings, slippers, crocs, hoodies (unless St. Jerome)

We also ask for parents to please monitor what your children/child does on their cell phones. There are inappropriate group chats going around between students.

As always, thank you for your continued support and cooperation in helping maintain our school's standards. If you have any questions, please don't hesitate to reach out.

Feminine Products

Too often we find we are having to call home for parents to bring up feminine products for their child. If you can make sure your child has the necessary products in their bookbags and that way we will not have to call home for these things. Thank you!

Birthday Celebrations

At our opening meeting, we discussed that birthday treats are not permitted unless they come to school individually wrapped and ready to send home. We have had a few children still bringing in large cupcakes and we have had to send treats home. Thank you!
